## **Typhoon Signal No. 3 or Above**

Awana meeting will be cancelled if the warning is in force two hours before the commencement of the meeting (normally at 12:00 noon), or will be suspended immediately if the warning is issued while the program is underway.

## **Suspension Procedure**

In the case of the suspension of Awana Clubs activities, all clubbers must be picked up by their parents or guardians (including domestic helpers).

If the education bureau (EDB) announces school suspension for kindergartens two hours before the commencement of the meeting (normally at 12:00 noon), due to other adverse weather conditions, we will also cancel the Awana meeting, or suspend the meeting immediately if the announcement is issued while the program is underway.
