## Genesis 37:1-36

16 June 2019

1. Jacob's \_\_\_\_\_ towards Joseph and his \_\_\_\_\_ towards his sons and his wives was a recipe for disaster.
2. When \_\_\_\_\_ is left undealt with, it will only get worse – as we shall see.
3. When Joseph's brothers sell him they accomplish two things – they get rid of \_\_\_\_\_ and they \_\_\_\_\_.
4. God doesn't want us to trust in a \_\_\_\_\_.  
God wants us to trust in \_\_\_\_\_.
