Small group discussion questions

17 November 2019

1. Why didn't God just simply choose another prophet when Jonah ran away?
2. How does obedience bring glory to God?
3. How did the Ninevites show they were serious about their repentance? God says produce fruit in keeping with repentance (Matthew 3:8). What does this mean? (See Luke 19:8)
4. The fact that the Ninevites responded to Jonah's message was a testament to the fact that God was at work in their midst. As you close up your time spend some time praying for our city and its response to God at this time in our history.
