7. Even when things seem hopeless we need to \_\_\_\_\_ and \_\_\_\_\_.

## ***Questions for Thought and Discussion***

---

1. What is one of the greatest tests you've ever had? Did you receive something as a result of that test? A degree, a posting, placement in a university or school?
2. What is one of the greatest tests God has ever put you through? What did you come to learn about God through that test?
3. Elijah did what God called him to do and still the brook dried up. Have you ever had a time where you faithfully followed what God called you to do and still the brook dried up? What did God teach you in that time?
4. Why is it that God allows His children to be put into situations where they have no recourse but to trust Him?
5. In the midst of this pandemic, how has God been deepening your faith and trust in Him?
