### **Discussion Questions**

1. Do you like to take risks? Can you give an example a time when you took a risk? What did that look like?
2. Why do people take risks?
3. When God calls us to take a Spirit led, faith-filled, God honoring risk- He sees it not as a risk but as an act of faith. Can you think about a time when God called you to take a Spirit led, faith-filled, God honoring risk? How did you respond?
4. Dr. Henry Blackaby said “you cannot stay where you are and join God in what He is doing” is there something in your life that you know God is calling you to? Have you taken any steps of obedience to join God in what He is doing?
