Community Group Discussion Questions

1. Conflict has the potential to draw together or to divide- it all depends on how we respond. We can win an argument and lose a friendship, or we can bring division in a family. What are some godly responses to conflict?
(Hint- running away from it is not an answer 😊)
2. Stephan lived a life surrendered to God- what do you find hard to surrender to God in your life? Why?
3. God gave Stephan the words to say and not say when confronted by evil men. God also gave Stephan the correct attitude as he responded to them. Where do you need God's help as you speak to people? (e.g. courage, caring, gentleness, tact, empathy)
4. A personal question for this week. Stephan is remembered as a man who was surrendered to God. How will you be remembered? How would you like to be remembered? What changes need to happen in your life to be remembered as a man/woman who is surrendered to God?
