Sermon Discussion Questions

Begin by reading the text - Luke 2:1-20

- I) Share with the group about a time when you received some really good news.
Why was it good news? Were you eager to share that news with others?
- II) When the shepherds heard about the simple birth of the Savior-they would
have seen Him being born just like one of them. Why did God choose to have
His Son come into the world like this?
- III) The Shepherds and Mary heard well what was said to them. They believed it
and received it and the shepherds shared it with everyone they met.
How has the message of Christ's birth changed you? Is there someone that
God is laying on your heart to share this message with?
- IV) Take time as a group to pray for one another as Christmas Eve
approaches. Pray for those separated from family this Christmas.
Pray for the message of Christmas to change us as well.
