## Sermon Discussion Questions

**Read the text Acts 9:31-43**

1. After God dealt with Saul the church enjoyed a time of peace. What marked that time of peacefulness within the church? (See verse 31)
2. From verse 31, how was the church strengthened and encouraged? What was the growth (spiritual and numerical) growth attributed to? (see verse 31)
3. Why was Aeneas singled out for God to do work in his life? (see verses 33-35)
4. What was Tabitha remembered for after she had died? (see verses 36-39) hint- there are three things she was known for.
5. In this section, we see that God used the healing of Aeneas and Tabitha to show to the world His great love and care. How did the people respond to what God did? How do you think those living around us would respond if we began to clearly display that Jesus is God?

*As you finish close your time in prayer for one another and remember as well those who are working to share the gospel in countries and places where it is dangerous to share their faith.*
