Sermon Discussion Questions

Spend some time reading the scripture reference Acts 16:16-40

1. Why didn't Paul allow the demon-possessed girl to follow him around saying that "these men are telling you about the Most High God and the way to be saved!"?
2. Why is any involvement in spiritism (horoscopes, fortune tellers, ouiji boards, tarot cards, dark-themed video games) so dangerous?
3. Why didn't Paul tell the crowd that he was a Roman citizen when they sought to beat him? Later on, in the book of Acts, he will say this and save himself from a similar beating.
4. The jailer asked, "what must I do to be saved?" Why did he ask this? What would you have told him?

As you finish this time spend a few moments praying for one another especially remember to pray for the relatives of those in the group who are far away from Christ.
