**June 12, 2022**

**Discussion Questions:**

1. This discussion and sermon is not primarily about the departure of Pastor Joel and Becca, but if appropriate for your group, feel free to share some thoughts and feelings about their return to the USA. Pray and give thanks.
  
2. Share a moment of grief or loss that has impacted you greatly.
  
3. Understanding that we do not always follow a linear path through the stages of grief, share a memory of which stage stands out to you.
  
4. How has God been close to you in times of pain and brokenheartedness?
  
5. Do an emotional self-assessment. Can you name how you are feeling? Where do you feel this emotion? For men in particular, make an extra effort to learn the vocabulary of feelings. This will help you in not only your friendships, marriages and parenting but it will also help you go deeper in your walk with the Lord.
  
6. As you receive comfort from God, how has God brought you to bring comfort to others?
