

Unstoppable Take Heart! Acts 23-25

Discussion/Reflection Questions

In your community groups, take turns to read through Acts 23-25. It may seem long, but it will be helpful as we dive deeper into the word.

Warm-up

1. What is the best news you've ever received? Share a fun memory with each other.
2. What has been the greatest challenge you've faced/ are facing?

"Take courage! As you have testified about me in Jerusalem, so you must also testify in Rome." Acts 23:11

3. Who is "Out there" for you? In other words, who is God bringing to mind that breaks your heart that they don't know Jesus?
4. In the sermon, we talked about viewing church as your **spiritual home**, shifting from guest to host. What does that mean to you?
5. What are some areas that you can step up to volunteer at church? Why not join together as a group?
