The Problem with Emotionally Unhealthy Spirituality

Hi AIC family,

I'm really excited about our upcoming sermon series Emotionally Healthy Spirituality. It's based on the book and discipleship course by Pete Scazzero and this is an excellent and timely opportunity for us to allow God to speak to some areas of our lives and hearts that we may have been ignoring, avoiding, or down-right shut ourselves from. Jesus came to give us life -- abundantly (read: FULLY alive) but sometimes, our experience

is somewhat lacking. I want to invite you to not just join us for the weekly sermon but also get involved in a community group. To get the most out of this experience, you really need to be in a group of friends to discuss and pray and journey together. This course is not just about information transfer, it is about TRANSFORMATION. God wants to do a work of transformation in your heart and soul. This week we kick it off with a session titled "The Problem with Emotionally Unhealthy Spirituality." Join us in person or online. Either way be sure to get plugged in. We are called to be a community, not a free agent.

Be blessed friends.
