### Launch Codes: Gather Gather, Grow, Give, & Go!

---

How do we GROW together?

- 1) First, we must gather together in order to grow together. This must be a priority and intentional.
- 2) Second, we must remember information  $\neq$  \_\_\_\_\_.
- 3) Growing together doesn't just involved learning information, but also **actively** getting involved in the following together:

## Launch Codes: Grow

### Small Group Discussion

---

As you meet in your community group today, consider to start by sharing some stories of how you have grown spiritually in the past few years. If you haven't, discuss why.

Then spend time in prayer by expressing praise and gratitude to God for all that He is doing.

---

**Read John 15:1-17 not just as a personal call, but also a call to AIC to live out together.**

- 1) In what ways are AIC or your small group growing together in community? How are you showing genuine love as commanded by Jesus? Give examples for both.
- 2) Please consider to be as vulnerable and transparent as possible. Are you feeling loved at AIC? Are you intentionally loving others? Do you feel you are truly growing spiritually in a community at AIC (discuss in the context of the overall church as well as your community group). Are you helping others grow? Explain your answers and give examples to help others understand.

Note: If there is anything that your small group comes up with that you would love to see change in the church to help fulfill the commands of Jesus to love one another and to bear fruit that lasts, please have a representative from your group communicate with church leadership.

---

Pray together that God would not just change others, but change YOUR heart to help you actively be apart of the solution. We need each other and it starts with our own hearts.
