**20230430 - Jonah 3**  
**Running WITH God - On to Nineveh**

1. **Opening question:** Have you ever been given a 2nd chance? Share with one another of a time you experienced receiving a 2nd chance.
  
2. **What is the big deal about Nineveh?** Why was it so important to God that He would give Jonah a 2nd chance to complete his mission?
  
3. ***“Forty more days and Nineveh will be overthrown.”*** May not be the worse sermon but it certainly could be better. The point of this isn't evangelism but it is worth considering our own approach to evangelism.
  
4. **How do you repent before God?** The Ninevites, in their ignorance, did what they thought would placate God. But that is not true repentance. All they wanted to do was avoid their fate. Not turn towards God. How do you personally show your repentance before God?
  
5. How do you **Run WITH God?**  
Acknowledge your waywardness. Are you still running AWAY from God? Are running TOWARDS God? How might this look like in your life?  
HINT: *what fruits might be manifesting in your life?*  
Which ones are most lacking for you?
  
6. **What has God been laying on your heart?**  
Take time and ask God to speak that to your heart. Begin to ask how do we as AIC Run WITH God?
