

**The Grace Filled Life**  
**“Reconciled in Christ”**  
**Ephesians 2:11-3:13**  
**May 18, 2025**

**Sermon Points:**

**1. We are Reconciled through Christ.**

- To be disciples of Jesus, we must understand how it impacts every aspect of our lives.

**2. The Work of Christ (Ephesians 2:13–18).**

- Jesus closed the gap between Man and God.
- Peace must start with God, and Jesus brought us that on Calvary
- Being a follower of Christ means to be reconcilers—to be peacemakers.

**3. The Church’s Role (Ephesians 3:10–12).**

- When we learn to pray, we learn to experience the heart of our Father. What breaks His heart should break ours too.
- God invites us to pray for our needs, but godly, spiritual, formative prayer begins to shape us to look more like Jesus.
